## IS A TRICK NOT A TREAT

Dear Reader, please don't get involved in Halloween, and please don't let your children get involved in it.

### **It is a trick – not a treat.**

This is a satanic festival portrayed as harmless fun in order to get children involved in it. Why? because it gives the Devil an opportunity to have entrance into their lives and oppress them. It also makes God angry:

**"I will send my anger upon you, and will judge you according to your ways, and will repay upon you all your abominations."** (Ezekiel 7:3).

The scripture warns us:

**"Neither give place to the Devil."** (Ephesians 4:27)

This is really good advice.

This is sound advice.

If you have already been involved in Halloween, or taken part in any other occult activity, then you are a sinner in the sight of God and you need to repent of that sin, so that it can be forgiven. You may say, "I was innocent, I did not know", but it is still sin.

**"If a person sins and commits any of these things which are forbidden to be done by the commandment of the LORD; though he did not know it, yet he is guilty."** (Leviticus 5:17)

The good news is that Jesus Christ has already paid for your sin to be forgiven when he died upon the cross, and all you need to do is receive it.

**"He was wounded for our transgressions, he was bruised for our iniquities,"** (Isaiah 53:5).
